

# Partner with us. Build your sales.

The Genesis Credit® Program provides access to nonrecourse second-look financing for your customers with less-than-perfect credit, enabling them to invest in the home improvements they need and want. It can supplement your current financing programs and serve as an additional line of credit to increase your customers' buying power. Most importantly, the program can also strengthen customer loyalty and satisfaction while helping your sales grow.

- Nonrecourse program
- No partner start-up fees
- Easy application and online processing tools
- Fast approvals and funding decisions
- Support 7 days a week
- Exceptional customer service
- Programs that encourage repeat business
