## Frequently Asked Questions

### Q: Why should I offer financing?

Offering your customers flexible financing options gives them the buying power to afford their dream project, increasing your close rate and average order size.

**Affordable payment buyers** will spend more on their dream project if it only adds a small amount to their monthly payment.

**Cash buyers** could write a check today, but can afford to spend much more with promotional options, such as no interest/no payments for 12 months.

### Q: How do my customers pay me?

Once approved, your customer is given an account number as part of their loan agreement package. Once your customer agrees to use the GreenSky® loan, simply use this number as you would a standard credit card with your merchant processor.

### Q: Do you have Deferred Interest plans<sup>2</sup>?

Yes, we are an industry leader in providing Deferred Interest plans in the U.S.
